

National Symposium on **Integrated Solid Waste Management**

**February 3-4, 2021, Karachi Chamber of Commerce and Industry (KCCI)
Aiwan-E-Tijarat Road, Karachi**

Organized by
**Society of Economic Geologists and Mineral Technologists (SEGMI)
PCSIR Laboratories Complex, Karachi**

In Collaboration with
**Karachi Chamber of Commerce and Industry (KCCI)
Pakistan Science Foundation (PSF)**

Preamble: Solid Waste Management has been an integral part of every human society and safe disposal of waste is consistent with improved quality of life. Developed countries have established regulations for managing the solid waste using 3 R's (Reduce, Recycle and Reuse) technologies. However, waste disposal in developing countries is generally uncontrolled, such as open dumps and incineration, which badly affect the human health and cause environmental degradation. Removal and disposal of municipal solid waste, generated daily from the residential areas, industries, commercial and other institutions is a serious problem and a big challenge for authorities of most of the cities and towns in Pakistan.

Symposium: A two-day event on solid waste management is being organized in collaboration with Karachi Chamber of Commerce and Industry (KCCI) with the aim of bringing together experts from research organizations/universities and participants from the industries and regulatory departments to share research and advanced methods of waste management for creating awareness about the need for sustainable and integrated waste management policies and practices in the country.

Those interested in attending the Symposium and presenting papers are invited to fill up the Registration form and return soon to sofiaalvi@yahoo.com and segmiteinternational@gmail.com

Topics	
1. Transboundary Shipment of Plastic Waste and its Impact on Municipal Solid Waste Systems	2. Role and Importance of Informal Sector in Solid Waste Management
3. Solid Waste Management Problems in Pakistan	4. Importance of Waste Management to Environmental Sanitation
5. National Waste Management Policies	6. Environmental Impact of Waste Disposal
7. Biogas Potential of National Wastes	8. Safe Disposal of Hospital Waste
9. Importance of Recycling to Waste Management	10. Impact of Inefficient Waste Management on Oceans
11. Waste Management and its Effects on Economic Growth	12. Effective Waste Management and Disposal Strategy

Abstract Submission: You are invited to Submit Extended Abstract of about 500 words on the given template before **25th January 2021** to sofiaalvi@yahoo.com and segmiteinternational@gmail.com; **Authors** presenting papers in the Symposium will be invited to submit the full length manuscripts for publication in an Online, Open access Peer reviewed International Journal of Economic and Environmental Geology (IJEEG) <<https://www.econ-environ-geol.org/>>, published Quarterly by SEGMI (www.segmite.org). It is HEC Y Category Journal Indexed by DOAJ, ASI, ISI Impact Factor 1.467 (2020) and Crossref with DOI etc.

Promotional Opportunity and Sponsorship: The national symposium will provide a platform to solid management companies dealing with waste machinery, waste processing and recycling equipments, environmental testing labs and environmental consultants for providing sponsorship. Sponsors will be duly acknowledged and allowed to advertise their products/services by displaying banners, short videos and providing symposium kits and publicity materials. For details contact on <segmiteinternational@gmail.com> OR <anjum_52@hotmail.com>.

Participant Registration Form

Full Name: _____ Presenter: Yes () No ()
 Designation: _____
 Organization: _____
 Cell Number: _____ Email: _____

Abstract Template (For Presenter)

Title: _____

Name(s) and Address(es) of Author(s):

Underline Surname/Family Name

1. _____
2. _____
3. _____

Email of Corresponding Author: _____

Organizing Committee

Dr. Sofia Alvi (Symposium Convener)
Principal Scientific Officer, PCSIR, Karachi
sofiaalvi@yahoo.com

Assoc. Prof. Suhail Anjum (Treasurer SEGMITE)
Dept. of Geology, Federal Urdu University, Karachi
anjum_52@hotmail.com

Ms. Ulfat Akram (Director Technical)
Water, Minerals & Environmental (WME) Consultants
ulfatakram@wmeconsultants.com.pk

Mr. Ahmed Raza (Editorial Assistant IJEEG)
Department of Geology, University of Karachi
segmiteinternational@gmail.com

Advisory Committee

Mr. Shamsul Islam Khan (Vice President)
Karachi Chamber of Commerce and Industry,
Karachi

Mr. Ashraf Hussain (Director)
Commercial & Business Development, Water, Minerals &
Environmental (WME) Consultants, Karachi

Prof. Dr. Sajid Rashid Ahmad (Principal)
College of Earth and Environmental Sciences
University of the Punjab, Lahore

Dr. Tahir Rafique (Senior Scientific Officer)
Pakistan Council of Scientific & Industrial Research,
Karachi

Dr. Bilal Ahmed (Life Member SEGMITE)
Society of Economic Geologists and Mineral Technologists,
Karachi

Dr. Samiyah Tasleem
Consulting Microbiologist
Karachi
